AN EAGLE ESTATES APPROVED BUILDER

QUALITY BUILDERS YOU CAN TRUST

That's right. all of the net HST incurred in the building of your custom dream home on Eagle Estates will be paid to you when you move into your new home before December 31, 2010.

Eagle Estates is a new development of 57 estate sized lots nestled at the top of Eagle Mountain in Abbotsford. Many lots are large enough for that spacious new home you only dreamt about plus an inground pool and/or playground. Most building sites provide views of Mt. Baker, Mt. Cheam or Golden Ears while others offer exclusive privacy.

Homesite sizes range up to 5/8 of an acre and prices start as low as \$300,000.00. All custom homes are built by our approved builders. This guarantees you the high quality home and peace of mind you deserve. Homeowner lot purchase terms can be arranged.

Remember: It's really very simple: Just three steps.

1. Purchase the lot that best suits your need and arrange for your custom home through one of our approved builders
2. Move in by December 31, 2010
3. On December 31, 2010 or sooner, upon the closing of your new home, the developer will give you a cheque for all the net HST you paid to construct your own, one of a kind custom home.

ENJOY THE VIEWS OF MT. BAKER, MT. CHEAM AND GOLDEN EARS FROM EAGLE ESTATES

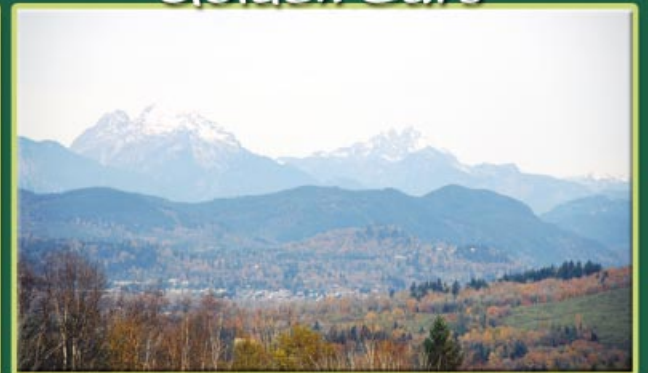

Mt. Baker

Mt. Cheam

Golden Ears
